BUSINESS PROFILE

Cyclomedia specializes in large-scale and systemic visualization of environments based on 360° panoramic photographs. Using specialized technology, large public areas are photographed and store in online databases. Cyclomedia is located in Middleton, in the Greenway Station area.

Feist VCP has partnered with Cyclomedia to host 7 internships, and Cyclomedia has permanently hired on 4 full time employees, in the role of a Data Extraction Specialist (DEA). This role requires attention to detail and ability to navigate in a 3D world, which is perfect for clients on the Autism Spectrum. Cyclomedia has been welcoming to our clients, by creating an accommodating work station, additional training/mentorship, and a modified work schedule, along with focusing on the individual talents of each client. Thank you Cyclomedia for being such a wonderful employer!
